

Rodrigo De Lascio

Full-Stack Developer

Full-stack developer with expertise in Next.js, React, and Node.js, currently pursuing a degree in Computing. Transitioning from a successful career in content and localisation, I bring a wealth of experience in analytical thinking, adaptability, and stakeholder engagement. Known for problem-solving and a commitment to continuous learning, I'm eager to leverage my unique blend of skills and creativity in a dedicated developer role.

Education & Qualifications

Arden University

BSc in Computing
2023 - Present

Just IT Training

Software Dev Bootcamp
2022

Shillington College

Level IV in Graphic Design
2015

UEL

BEng in Civil Engineering
2011 - 2015

UNICID

BA in Journalism
2003 - 2006

Grupo Drummond

Level III in Computing
2000 - 2002

Experience

- Aug 2022 - Present REMOTE

Localization Specialist
Cloudbet

Managed localisation projects using Weglot and CrowdIn to streamline content translation processes, ensuring consistency and efficiency across multiple platforms. Used Jira to track project progress and collaborate with cross-functional teams, developing skills in task management and Agile workflows.

- Nov 2023 - Jan 2024 LONDON

Data Analyst
Times Higher Education

Analysed data for global university rankings, streamlining quality checks to reduce review time and contributing to a more efficient scoring process. Developed a keen attention to data accuracy and consistency, skills directly relevant to my development work.

- Jul 2019 - Jul 2022 LONDON

Senior Content Executive
GIMO

Promoted to Senior Content Executive, overseeing content strategy and managing workflows in Jira to ensure timely, high-quality delivery across teams. Managed website content through a dedicated CMS (NetBet) and published nearly 500 blog posts on WordPress, using HTML for content formatting within both platforms and for email content creation. Collaborated closely with cross-functional teams to troubleshoot and streamline operations, enhancing my problem-solving and team coordination skills.

- Sep 2017 - Jun 2019 LONDON

LQA Specialist
Testronic

Tested content on multiple gaming platforms, identifying and documenting bugs, and ensuring high quality across releases. Developed strong analytical and detail-oriented skills critical in QA and development roles.

- Dec 2015 - Aug 2017 REMOTE

Graphic Designer
Freelance

Delivered creative design solutions, managing client expectations and adapting designs to meet unique requirements. Developed resourcefulness and strong self-management skills, essential in self-directed roles like development.
